DHTC Bangkok 2022

Digital Healthcare Transformation Conference

Our benefits for the participants are

1. UP-TO-DATE MED TECH TRENDS

Meet the most advanced and already applied Medical AI technology in the Korean and global markets through the best speakers.

2. BUSINESS OPPORTUNITIES

Ten high-tech companies from Korea are looking for business partners in Thailand. Seize new business opportunities that will lead the next era.

3. LUXURIOUS TRADITIONAL KOREAN GIFTS

Bountiful gifts are prepared for pre-registration participants, such as a long-lived turtle traditional cutlery set and a keychain with a traditional Korean pattern. Enjoy the event and receive a special gift from Korea. Pre-register online or by phone, and a keychain will be issued to everyone who is seated before 9:15 a.m. Among those who receive keychains, the 15 most participative people will be given a set of traditional cutlery.

4. 5-STAR HOTEL BUFFET AND KOREAN STYLE FRIED OYSTERS

A morning/afternoon coffee break at the Carlton Hotel, a luxury hotel in downtown Bangkok. In addition, the hotel lunch buffet is provided daily for the first 300 guests only. In addition, a special Korean dish, oyster jeon, is additionally served. Enjoy the best events with the best Korean food.

5. INVALUABLE NETWORKING

This time, not only Korea but also Thailand's leading industry experts are invited. Meet the best network of medical industry experts linking Korea and Thailand.
